

Heron's' Moor Academy Newsletter

January 2025

www.heronsmoor.co.uk

This month's value is positivity

I am kind.
I am respectful.
I am patient.
I am honest.

I am a
Heron's' Moor Citizen

Dear Parent/Carer

I hope you are continuing to keep warm and healthy as this month's cold temperatures continue and as January clearly presents the colds and sickness bugs which are around.

We have had a great two weeks back in school for the start of 2025: Year 6 visited Bristol Museum as part of their learning about the Stone Age; Years 3 and 4 have been bringing writing alive with real-life situations; all children have been thriving in our weekly Team Talk sessions and our assemblies have made us think how we keep ourselves safe at school and as Heron's' Moor citizens.

Bikeability for our y4 and y5 children starts this week so we are looking forward to following their progress over the sessions.

Georgie Tinker - Principal

Safeguarding at HMA

As we enter the peak of cold and flu season, it's crucial to emphasise the importance of personal hygiene to keep our school community healthy. Here are some key practices to help prevent the spread of illness:

Hand Washing: Encourage your children to wash their hands frequently with soap and water for at least 20 seconds, especially before eating and after using the restroom. Hand sanitizers can be used when soap and water are not available.

Covering Coughs and Sneezes: Teach your children to cover their mouth and nose with a tissue or their elbow when they cough or sneeze. This helps prevent the spread of germs.

Avoiding Touching Face: Remind your children to avoid touching their eyes, nose, and mouth with unwashed hands

Principal: Mrs. Georgina Tinker NPQH BA Hons | Vice Principal: Mr. David Beesley NPQH, BSc.Hons
