### Inspiring Our Future Day: A Whole-School Celebration of Careers and Possibilities

On Wednesday 9th July, our school will be proudly hosting its first-ever 'Inspiring Our Future' Day—a dynamic and engaging whole-school event designed to open our children's eyes to the vast world of careers. This landmark initiative will bring together children, parents, and professionals from a wide range of industries to spark curiosity, ambition, and a sense of possibility in every child. Thank you to those of you who have volunteered to come in and talk with our children about your jobs. The day will be made up of a selection of the following:

- Drones workshop
- Green jobs
- Careers in food
- Library visit
- Emergency services
- Activities in class: what skills do you need in jobs?

Georgie Tinker – Principal

### Safeguarding

What is the right age to get my child a smartphone?

Every family is different, there will always be exceptions and there's no one-size-fits-all rule. But this approach is already helping thousands of families introduce tech more intentionally, at a pace that protects childhood. This website offers opinions, strategies and advice for supporting parents to navigate the world of smartphones

### Mental Health

This week, Tuesday 1st July 6-7pm, we have our "How to spot and respond to anxiety in children" webinar. We hope lots of you are able to take advantage of this free, informative and supportive session with our friendly school EMHP Bex.

Please remember, if you have a concern around your child's mental health and wellbeing, you can email the Mental Health Team:  
[healthandwellbeing@hma.clf.uk](mailto:healthandwellbeing@hma.clf.uk)

**Attendance** We believe that every minute of the school day counts. Arriving on time sets a positive tone for the day, helps students settle into routines, and ensures they don't miss out on valuable learning opportunities.

We kindly ask all families to support their children in arriving at school promptly each day. Let's work together to make every moment count!

If you need support with morning routines or have concerns about punctuality, please don't hesitate to reach out—we're here to help.

## **Messages**

Reminder that the academy is CLOSED Friday 4<sup>th</sup> and Monday 7<sup>th</sup> July for INSET days

## **Sportsmanship winners**

These children were recognised by their class teachers for showing true sportsmanship this year. Well done to all of you for demonstrating this key value.

Delighted with our Ofsted report from the inspection in May, we featured in the Weston Mercury at the weekend!

As quoted, I said that his report affirms our commitment to providing a nurturing and high-quality learning environment where every child can thrive.

We look forward to embracing the challenge of building on what we have achieved so far.

## PTA SPECIAL Wow! What a Fantastic Summer Fair Success!

We are delighted to share that our Summer Fair was a huge success. The hard work and enthusiasm from the newly-energised team truly paid off, delivering a joyful, community focused event on our school field.

It was great to see the children enjoying the field and playing with friends. There was a real buzz of excitement as families explored all the activities on offer. From the ever popular tombola to the impressive skills on display at the paper aeroplane and well hanging competitions (some of those long throws were incredible!).

Sam's Smoky BBQ was a definite high light, delicious, high quality food that kept everyone well fed and happy. We were delighted to welcome a range of external stalls; many of whom commented on how polite, kind and friendly our students were - a real credit to our school.,

It was great to see so many parents, teachers and support staff coming together to make the event such a success. Thanks to the amazing turnout and support we also raised a significant amount of money, all of which goes straight back into resources and enrichment opportunities for our children.

Thank you so much to everyone who came along, volunteered, and supported the fair. It was fab!

Please find attached lists of all our lucky winners in the competitions and raffle. As always if you have any ideas, questions, feedback or if you want to help in any way, please emails us at [pta@hma.clf.uk](mailto:pta@hma.clf.uk)
