Dear Parent/Carer

I hope you enjoyed the half term break with the glorious sunshine and heat and are feeling rested ahead of our final term this academic year—and what a busy one it is indeed! Please look at all the calendar dates so you are aware of what is happening and when.

Our value this month is sportsmanship which will be a focus for us all as we practise for sports days towards the end of June. With so much sport and role models on our screens, it is essential that we educate families on the importance of showing sportsmanship—especially when we lose or decisions don't go our way.

It is going to be an action-packed Term 6 starting with Wake n Shake this Wednesday 3rd June 8:40am on the main playground—let's hope the rain holds off!

.Georgina Tinker—Principal

## Safeguarding

Now that we are enjoying the light of summer evenings, increasing numbers of children are going to the skate park after school – and often without the supervision of an adult or parent. This is absolutely fine as we encourage our children to become independent but with that comes responsibility and unfortunately, we have been informed of unwanted behaviours in the skate park, especially when playing football. Please help us educate our children in how to behave as citizens of the community to keep them safe in and out of school:

Remember to be kind to others and not lose your temper

If you are worried, know where to go to tell an adult who can deal with it. Avoid putting yourself in difficult situations
