Herons' Moor Academy—Newsletter

June 2026

Dear Parent/Carer

What a fantastic job our Y5s and Y6 children did last week with their performance: all of them on the stage showed confidence and enthusiasm in their singing and routines. Thank you to those of you who were able to come and watch!

And this week, we have our sports days. Hopefully, the weather will stay fine enough for them to take place—keep an eye out on Facebook and MCAS for updates nearer the time. The children have been practising their activities during PE lessons and are excited to be demonstrating their sporting skills and sportsmanship value.

We are delighted to share the wonderful news that Mrs Bennett is expecting a baby. We extend our warmest congratulations and best wishes during this exciting time. Her baby is due at the end of September but we will be recruiting for a teacher to cover her maternity leave from the start of the school year so that they can work together and ensure a smooth transition for current reception children.

We will try again this week for Wake n Shake on Wednesday– the weather does look ok at the moment!

Georgina Tinker—Principal

Safeguarding

Extreme weather

As the warmer weather arrives, like in half term, we would like to remind all families about the importance of staying safe around water.

Whether visiting the beach, swimming pool, rivers, or lakes, children should always be supervised by an adult and encouraged to follow basic water safety rules.

Please remember the importance of wearing appropriate flotation devices where needed, staying hydrated, and protecting skin with sunscreen and hats. We hope everyone enjoys a fun, safe, and happy summer outdoors.

Now That's What I Call A Musical!

The Y5 and Y6 children did us proud in their performance of 'Now That's What I Call A Musical'. Each and every one of them showed courage and commitment with their singing, actions and delivery of lines. Thank you to the adults who worked so hard to put this on the stage!

.

Attendance

Regular attendance during the final term of the school year is extremely important, as this is a key time for pupils to consolidate their learning, build confidence, and prepare for the transition into their next year group.

Many exciting activities, assessments, school events, and enrichment opportunities take place during this term, all of which support children both academically and socially.

Being in school every day helps children maintain routines, strengthen friendships, and finish the year feeling proud of their achievements and ready for the next stage of their learning journey.

Please support us in our aim of all children enjoying this final summer term.

PTA update
