# This Month's Value is Honesty

*"Honesty is the best policy"*

Dear Parent/Carer

It has been really lovely to see some more children return to the Academy. We currently only have 112 spaces available for health and safety reasons. When/if this changes we will invite more children back.

### **Distance Learning**

Even though some children are returning to the Academy, many are not so we will continue with all our distance learning on our hub. Class teachers will keep in touch on a regular basis. Please ask if you need any help/support with the work, we know how hard it is to keep the learning going at home

### **Nursery Applications**

We have places in our excellent Nursery for September 2020. If you have a child who has their 3rd birthday before September 2020 or know somebody who is looking for a Nursery place, please complete the registration form on Herons' Moor website or call us on 01934 427373.

Children are entitled to 15 hours FREE childcare and education starting the term after their 3rd birthday. Parents may also be entitled to 30 hours FREE childcare and education (see gov.uk).

Our Nursery offers flexible sessions- children could start as early as 8am and finish at 3.30pm. We provide water, milk and fruit daily and we also offer hot meals for children.

The Nursery is part of our successful Foundation Stage where children thrive by learning through play.

### **Summer Season**

- Now we are in the hayfever season, we are happy to hold extra medication here for your child, provided you have completed the medical consent form.
- On sunny days please apply 'all day' sun protection cream before your child leaves home.
- We would encourage the wearing of sunhats on sunny days.
- Please send your child in with a named water bottle (only water in it please).  
Thank you very much.

*Foundation Stage* – Should your child be particularly sensitive to the sun due to fair skin for example, it may be possible for the class teacher or teaching assistant to apply sun cream to your child. If this is the case, please discuss the matter with your child's class teacher and sign a medical consent form which can be obtained from the school front office.

*Key Stages 1 & 2* – Older children, who may also be particularly sensitive to the sun and are able to apply sun cream themselves, may bring sun cream to school. However, it must be labelled with their name and handed to their class teacher for safe keeping.

If you know that your child will be leaving us in July 2020, please could you let the front office know. Thank you.

Thank you all so much for your support in this tricky time. We are here to help as much as we can so if you need anything, please get in touch by email or phone.

Yours sincerely

Julie Fox  
Principal.
